

BEHAVIORAL SCIENCES WORKSHOP

2018-2019

The Behavioral Sciences Workshop is an interdisciplinary seminar series featuring speakers of broad appeal in the behavioral sciences. The workshop is held jointly between the Yale departments of Economics, Political Science, Psychology, and the School of Management (SOM). It is cosponsored by the Center for the Study of American Politics (CSAP) and the School of Management's International Center for Finance and Whitebox Advisors fund. This year's faculty organizer is James Choi, Professor of Finance at the Yale School of Management.
